

SUNSEEKER 86

KROGEN 58

PRINCESS 85

# ABT·TRAC®

## 10"-12" HYDRAULIC THRUSTERS

Proportional control. Low profile, Ergonomic design. Spring-to-center or friction lock lever. Power on indicator and audible alarm indicator. Single or dual configuration (bow and stern thruster)

### TRAC Hydraulic Thrusters

- TRAC Thrusters deliver **more thrust per horsepower** than any other thruster available
- Twin **counter-rotating propellers** eliminates wasted energy and maximizes efficiency

### High-Efficiency Power & Control

- High-efficiency piston motors for reliable, heavy-duty performance
- 10-inch thruster up to 30 hp / 12-inch thruster up to 38 hp
- Thruster control is available in single or proportional speed. Proportional control enables precise maneuvering control

### Built for Heavy-Duty Service

- Oversized gears and bearings for long service life
- Propeller hubs shroud the gearbox to protect the prop shaft
- Rotating seal guard provides maximum protection of shaft seals

### Ready to Install & Fully Supported

- Systems are fully documented and delivered ready to install
- Factory-tested components
- Expert support from factory technicians and a global service network

For exceptional performance, highest quality, and unmatched support, choose ABT·TRAC
